

CF Annual Spring Clean Up Days

Sponsored by The Natural Areas Committee
And The Rules and Regulations Committee

▶ **SATURDAY May 10th @ 2:00 pm –4:00 pm**
Rain date-To Be Determined

**Join the Century Farms Neighborhood Association
Board and the Natural Areas & RRC Committees
In a Day of Adventure!**

Bring your Century Farms friends and family to join in our 10th Annual CF Clean Up Days! Last year we had a blast and collected lots and lots of garbage! The kids got muddy, discovered some toads, turtles and interesting footprints and all around just had a GREAT TIME!

**SAVE THE EARTH AND
HAVE SOME FUN WITH
YOUR FRIENDS AND FAMILY.**

We need Team Captains who will be stationed at three sites along the shores of each of the ponds,

PLUS AT THE CORNERS OF Commons & West—Conestoga & West

Pond 1 is the large pond that is adjacent to the CF Park.

Pond 2 is located west of William Penn & south of Pennsylvania Ct.

Pond 3 is behind Erb Farm Court.

We will be removing trash from our neighborhood's ponds and common areas. No hands are too small for this worthy community event. So bring the kids to help—they can pick up stuff too!

Participants are encouraged to stop by the CF Gazebo afterwards to tell of the most interesting thing they found. Raffle Prizes will be awarded for the most interesting item found and the most interesting story told-it must be true though!!!

Scout Group Leaders: If you would like to register your troop to participate, please email Fran Bixler at fran@franbixlerhomes.com. We will arrange to have your troop's picture taken and provide you with certificates of participation in order to earn your badges.

Saturday May 10th Schedule:

2:00 PM—Meet at the Gazebo, we'll organize and at 2:15 split into teams and head out to our areas. If you can't find your group, call Diane Barbret at 630-677-1563.

3:30 PM—PHOTOS AND RAFFLE PRIZE DRAWING AT GAZEBO!

What to Wear: Weather-appropriate clothes with boots or shoes that can get muddy!
Long sleeves are advisable for helping to haul brush to curb.

What to Bring: Garbage Bags, Work Gloves, Rakes, Brush Clippers, Bug Repellant if necessary.
